# INDEX.

* Denotes an original article. † Book reviews.

A

Abdominal scars, late rupture of old .....884
Abdominal tumour, an obscure .....203
Abnormalities of the hind end of the body .....632
Abortion, artificial and its sequels .....169
—— criminal .....218
—— induction of and sterilization by Alfier's method .....459
—— mental disease and the induction of .....162
—— the results of legal artificial .....470
—— contribution to the study of febrile .....187
Abruzzese : Calcium in uterine contraction and inertia .....220
—— Congenital pelvic ectopic kidney as a cause of dystocia .....891
Accouchement hastened by Delma's method .....445
Adenomyositis, an unusual case of .....443
—— the histogenesis of.....853
Adler, Prof.Dr. L. : Results in 1,000 cases of extended vaginal operation for cancer of the cervix .....335
Adnexa, an efficient method in the conservative treatment of tumours of the .....885
Agomensin and cystomensin, on the use of .....472
Aiko, F. : Coagulation of blood in gynæcological diseases .....225
Albans, G. : A new technique for radiographic diagnosis of ... early pregnancy .....194
—— The diagnosis of triplets in the eighth month of pregnancy...468
Albuminuria and glycosuria in the new-born .....469
Alexander Adams' operation, on the results of .....881
Allan, W. : Hæmolytic anæmia in pregnancy .....156
Allen, E. and H. C. Goldthorpe : A study of the use of parathoromone in the control of menstrual bleeding .....640
Allen, E., Pratt, J. P. and others : Recovery of human ova from uterine tubes .....158
Amenorrhœa during and immediately after the was .....470
—— the relation of dosage of radium to age, in the production of *778
Anæsthesia, rapid delivery under spinal .....445
—— the action of spinal, on the perinæum of parturient women...449
—— totokain and lumba .....195
Andérodias, J. : The modern treatment of puerperal sepsis .....863
Anders, F. : Bathing and care of the umbilicus in the new-born ...667
Andrade, De : Zarate's partial symphysectomy .....676
Anema, a fatal .....213
Anencephaly, endocrine and other anomalies in .....*552

Antenatal care as an aid and a policy .....835
—— work in private practice .....835
—— care .....†384
Antigenic properties of evaporated milk .....443
Apoplexy, two cases of severe utero-placental .....439
Appendages, two cases of torsion of healthy .....442
Aprile, F. D' : Criminal abortion .....218
Armanini : Rōntgen therapy of uterine fibromyomata, technique and indications .....476
Armstrong, R. R. : Essay on air-borne infection in puerperal sepsis .....834
Armstrong, R. R. and White, H. Burt- : The problem of puerperal sepsis .....410
Armytage, V. B. Green- : A case of torsion of a Fallopian tube and ovary during pregnancy .....*87
—— Tropical gynæcology .....385
—— Tropical gynæcology .....620
Aschermann, G. : Extractio placentæ accretæ .....458
Asherson, N. : The relation of dosage of radium to age, in the production of amenorrhœa .....*778
—— Inoperable carcinoma of the cervix treated by radium transperitoneally .....830
Aschner, B. : An efficient method in the conservative treatment of tumours of the adnexa .....885
Asphyxia in the new-born, treatment of .....421
—— neonatorum, the treatment of, by the injection of alpha-lobeline into the umbilical vein .....150
Astriel : Shortening the normal labour .....446
Atropine fever in early infancy .....847
Attitude, an unusual, of a child *in utero* .....133
Audebert, J. L. and E. Estienny : The action of spinal anæsthesia on the perineum of parturient women .....449
Avertin, experiences with .....187

B

Baer, A. : Coitus infection a cause of puerperal fever .....885
Baer, J. L. : An aid to determination of the fœtal heart during labour .....650
Backache .....203
——Bacterial content of the vagina and uterus on the fifth day of the normal puerperium .....437
Bacteriology of a series of uteri removed at operation .....407
Bailey, H. : The long labour .....149
Bailat, G. and Balau : Hydatidiform mole and lutein cysts of the ovary .....874
Balard, P. : Blood letting in obstetrics .....449
—— Uterine perforation discovered during curettage for criminal abortion obtained by injection of tincture of iodine .....445
Balard and Mahon : Concerning six cases of rapid evacuation of the uterus under spinal anæsthesia .....861
Balle, Le and Patay : Primary epithelioma of the Fallopian tubes 872

Ballen, L. : Pregnancy and sexual intercourse .....885
Baltzer, H. : Umbilical adenoma.....468
Bär, A. : Intravenous alcohol injections in puerperal pyrexia.....203
Bardon and Andre : Total wide hysterectomy (Wertheim)for tuberculosis of the body .....442
Báreze, E. : The treatment of œdema in pregnancy with thyroid extract .....468
Barris, J. D. : Induction of labour for disproportion .....287
Bartholin's gland, tuberculosis of .....159
Basset and Guerin : Contribution to the study of sarcomas of the vagina in the adult .....446
Batisweiler, J. : Placental extract in menstrual disturbances .....196
Baty, J. M. : Congenital atresia of the intestine .....435
Beck, W. Experiences with avertin .....187
Beckman, M. and A. Krich : Tuberculosis and pregnancy .....658
Beghin : Accouchement by Delma's method in an eclamptic .....442
Bengoléa : The "Little Cæsarean" by the vaginal route in the interruption of pregnancy .....439
Benians, T. H. C. and B. W. Jones : Pemphygus neonatorum ...407
Berkeley, Comyns : A handbook of midwifery .....†618
—— The teaching of midwifery based on the Lloyd Roberts Memorial Lecture .....*701
Bessenen, D.H. and A. N. Bessenen : X-ray studies of the mechanism of labour with special reference to puerperal infection ..... 851
Bey, N. Mahfouz : Fistulæ, urinary and recto-vaginal, in women .....*581
—— Ovarian cysts and tumours.....*576
Bickenbach, W. : Cerebral tumours during pregnancy .....469
Binet : Spinal anæsthesia and uterine dilatation .....872
Biologie und Pathologie des Weibes .....†130
Biologie und Pathologie des Weibes .....†383
Biologie und Pathologie des Weibes .....†821
Birth injuries, can intracranial, be prevented? .....429
Birth injuries, prognosis of .....658
Birth trauma, behaviour difficulties in children associated with the results of .....42(
Bjorkenheim, E. A. : A case of grave anæmia of pregnancy ...67(
Bland, P. B. and L. Goldstein : Anæmia in pregnancy with recovery .....857
Blowstein, J. L. : Hæmophilia of the new-born .....627
Blood, coagulation in the neonate, research on .....675
—— platelets in puerperal septic affections .....477
—— transfusion and the organization of a staff of donors .....656
Bohler, E. : Operation for puerperal mastitis .....650
Bokelmann and A. Bock : The diagnosis, treatment and prognosis fo hyperemesis gravidarum .....463
Bonney, V. : Urology in relation to gynæcology .....629
Bordet-Wassermann reaction in pregnancy—contribution to the study of the .....169

Bortini, E.: Cullen's sign and its diagnostic value in extra-uterine pregnancy .....673
—— Primary carcinoma of the Fallopian tube associated with uterine fibroma .....672
Bourne, Aleck W.: Synopsis of midwifery and gynæcology .....†619
Bourne, A. W. and J. W. Burn: Action of oxytocin and vasopressin in the uterus in abour .....133
Bourg and Cordie: The tumour of Krukenberg .....177
Bowen, W. H. and H. Richards: Case of twisted pedicle of the spleen .....832
Boyd, M. L.: Strictures of the urethral meatus in the female ...650
Brault, P.: Two cases of severe utero-placental apoplexy .....439
Breast, benign tumours of the female .....852
—— feeding, the early stages of .....197
Breech delivery, the prevention of fœtal injuries in .....430
—— presentation, report of cases of, at the Obstetric Clinic, Strasbourg, 1919–1928 .....650
Bride, J. Webster: A large fatty tumour of the uterus .....*83
—— Spontaneous rupture of the uterus during pregnancy .....*817
Broad ligament, accessory suprarenal tissue in the .....651
Brock, J.: A fatal enema .....213
Brouha, M.: On the treatment of ovarian cysts prævia at the end of pregnancy ..... 175
Bronnikowa, X.: Labour after artificial abortion .....469
Brucella abortus infection .....648
—— —— infection in man .....430
—— —— the significance of, agglutinations in human sera .....849
Buchanan, Andrew: Midwifery mechanics .....†385
Bültemann, H.: The prophylaxis and diagnosis of post-operative thrombosis .....668
Bumpus, H. C. and G. J. Thompson: Tuberculosis of the genital tract .....157
Burger: Concerning the different aspects of the organs involved by the low Cæsarean section .....170
Burn, J. W.: An unusual attitude of the child in utero .....133
Buschke, A. and W. Gurth: The importance of certain forms of dermatitis in pregnancy .....473

C

Cæsarean section .....840
—— —— A survey of, in the Borough of Brooklyn, City of New York .....149
—— —— an unusual indication for .....667
—— —— concerning the different aspects of the organs involved in the low .....170
—— —— five years' experience with low cervical .....149
—— —— glycerin in .....829
—— —— histological study of uterine scars after cervical .....429
—— —— my technique of low, by transverse incision of the low segment .....868

Cæsarean section repeated for the third time followed by subtotal hysterectomy; histological study of the scar....874
—— —— some historical notes on the technique of ....157
—— —— the bacterial content of the uterus at ....150
—— —— the position of, in modern obstetrics ....886
—— —— the scope of ....139
—— —— two cases of rupture through scar of ....469
—— —— vaginal, in a case of pregnancy toxæmia ....892
—— the little, by the vaginal route in the interruption of pregnancy ....439
Callahan, W. P.; F. H. Schiltz, and C. A. Hellwig: Primary carcinoma of the Fallopian tubes associated with tuberculosis 422
Colloidal head, advanced cancer treated with ....423
Cameron, H. C.: Some types of septic infection of the newly born 623
Cameron, S. J.: William Smellie ....*521
